In addition, this action is consistent with Community Services (Goal 6) by improving the quality of life for residents in the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund or any Public Works Funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The City of Diamond Bar has initiated proceedings with the Local Agency Formation Commission of Los Angeles County (LAFCO) for the annexation of Los Angeles County territory known as the "City of Diamond Bar Annexation No. 2007-20" into the City of Diamond Bar. A portion of County Lighting Maintenance District (CLMD) 1687 and CLD LLA-1, Unincorporated Zone, is located within the subject Los Angeles County territory proposed for annexation into the City of Diamond Bar.

The City of Diamond Bar is requesting that the County of Los Angeles continue to administer the street lighting districts located within this territory on behalf of the City upon incorporation. As part of the LAFCO proceedings, this territory will be transferred from CLMD 1687 to CLMD 10006 which serves the City of Diamond Bar. These LAFCO proceedings, however, will automatically exclude the territory from CLD LLA-1, Unincorporated Zone pursuant to Section 22613 of the California Streets and Highways Code. In order for the County of Los Angeles to continue to administer the street lights within the proposed annexation territory as part of the County Lighting Districts, the territory must be annexed into CLD LLA-1, Diamond Bar Zone. The City has adopted the attached Resolution Granting Consent and Jurisdiction to the County of Los Angeles in the Matter of Annexation of Territory Known as City of Diamond Bar Annexation No. 2007-20 to County Lighting District LLA-1, Diamond Bar Zone.

These proceedings are governed by the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). The Department of Public Works (Public Works) will prepare an Engineer's Report that complies with Section 22565 et seq. of the California Streets and Highways Code and Article XIID, Section 4(b), of the California Constitution.

The Engineer's Report will also be filed at that time.

ENVIRONMENTAL DOCUMENTATION

Also, please forward one adopted copy of the letter to the County Assessor, Ownership Services Section (Attention Angela Gadsden), and to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).
